In an effort to keep you informed about the current market environment and armed with information you can use to protect yourself and your family from disease such as COVID-19, we have arranged for a very special call next Tuesday, March 17th at 10:00am PDT. Richard Bernstein, CEO of Richard Bernstein Advisors, and Dr. Robert Luby, Director of Education for The Institute For Functional Medicine, will both give us their perspective on the effects of the Coronavirus, and how you can protect your portfolio, and more importantly your health. You won't want to miss this special call!

Special Client Call and Coronavirus Update with Richard Bernstein & Dr. Robert Luby

Dr. Robert Luby, MD – Director of Medical Education, The Institute for Functional Medicine

Functional Medicine determines how and why illness occurs and restores health by addressing the root causes of disease for each individual. Dr. Luby leads the institutes medical education efforts in the area of curriculum and training, research, and strategic planning. Prior to joining IFM in 2015, Dr. Robert Luby spent 26 years as a board-certified family physician providing primary care in Latino community health centers, successfully applying the Functional Medicine model in these under-resourced settings. After also spending 16 of those years in academic medicine honing his skills in curriculum development and faculty training, he has taken over the reins of IFM's Medical Education Department. Past teaching affiliations include Harvard, UMass, Tufts, Boston U, and the University of Vermont medical schools. Dr. Luby holds a bachelor's degree in Biology from Dartmouth and received his MD degree from Columbia University College of Physicians and Surgeons.

Richard Bernstein - CEO and CIO of Richard Bernstein Advisors

We have utilized research and strategies managed by Richard Bernstein Advisors in client investment portfolios since 2009 and have followed Rich's market views for over twenty years. On our call with Rich, we will discuss recent market volatility and the economic and geopolitical landscape. Rich has over 38 years of experience on Wall Street. He is a much-noted expert on equity, style and asset allocation. Rich was voted to Institutional Investor magazine's annual "All-America Research Team" eighteen times and is one of only fifty-seven analysts inducted into the Institutional Investor "Hall of Fame".
